### Purpose:

The GADC training facility is located at 803 Martin St. in Greenville, Ohio. Our training facility consists of two private, fully matted indoor training rooms designed to enhance the training experience.

The purpose of the GADC “Building Rules” is to outline the expectations of persons utilizing the buildings for training both during designated class periods and also during personal training time. The rules will assure that the GADC Training Facility is maintained in a pleasant, safe, working condition for all of our members and students.
